

A Letter from the Valley View Swim Board

Dear Friends,

It's been a rough winter and we all are looking forward to enjoying warm summer days and the cool waters of Valley View Pool. It's hard to believe another year has gone by. As always, we'd like to take this time to thank all of our members for a great season last year and hope all of you will be back this summer. We'd also like to encourage any of you considering membership to join us this year for a cool and refreshing summer at Valley View Pool.

In a continuing effort to improve your experience at the pool, we will make some minor adjustments based on suggestions and experiences from last year. Your comments and suggestions are important to us so that we can continue to make your summers at Valley View as enjoyable and affordable as possible.

In our current economic times, we feel it is important to provide the best value we can for both the members, and the pool, and we are happy to announce that we are able to keep our membership prices the same as last year. However, as a cooperative, we rely on the skills and talents of our members to keep our pool looking great for all of us to enjoy. If you can help and would enjoy doing a little yard work or serving on a maintenance committee, please let us know.

We are very glad to be welcoming back Brenda Metcalf as manager again this year. This will be her 4th summer with us. We would like to thank Brenda for her hard work and dedication to the pool and for her part in the pool's success the last couple of seasons.

This year we welcome Lori Leohner to our Pool Board. Lori served as co-manager of the pool in 2011 and 2012 and obviously is very knowledgeable about our pool. We are happy to have her back as part of the Valley View Pool family.
